

Time + Money = Retirement

1 You contribute

2 Your employer contributes

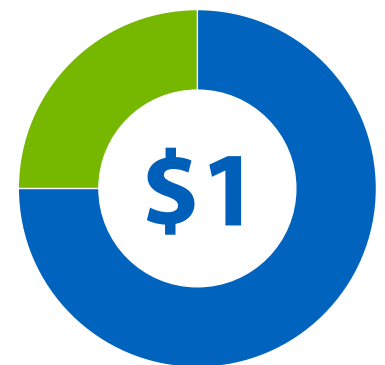

3 OPTrust invests the contributions

4 You receive secure retirement income for life

Did You Know?

The OPSEU Pension Plan is funded from three sources: member contributions, employer contributions and investment returns.

On average, out of every \$1 a pensioner receives, 73 cents is generated by investment returns.

The information in this brochure is current as of the date of production. For further information regarding your pension, please refer to your Annual Pension Statement.
